Description Summary

The AmeriList American Express Cardholders mailing list is the ideal database for any marketer who is looking for a group of educated, smart, or financially savvy consumers. This file is comprised of affluent consumers and business executives who currently hold an AMEX credit card. Their average income is higher than regular consumers; most boast a higher credit score, and they are frequent travelers. These buyers have an increased buying power, which makes this database the perfect resource for many industries and markets.

How Our Data Is Compiled

Our American Express Cardholders Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider The Facts

- American Express has sold approximately 110 million cards
- The average AMEX card gets about \$17,216 of spending
