## Description Summary

Have you heard? AmeriList's Audiologists file is the most accurate database in the industry! This mailing list includes a variety of information pertaining to audiologists at their place of residence. These medical professionals work with people every day on their hearing and sensory issues. This position makes these individuals eligible for many types of offers. These audiologists can be reached by mail, phone, or email with our monthly updated database. Don't miss out on this valuable group for your next direct mail campaign!

## How Our Data Is Compiled

Our Audiologists in the U.S. Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy.

## Consider The Facts

- Most audiologists work in healthcare facilities, such as physicians' offices, audiology clinics, and hospitals. Some work in schools or for school districts, and travel between facilities
- Audiologists need a doctoral degree and must be licensed in all states.

## Recommended Usage

This database is recommended for a variety of industry offers, such as medical equipment, office supplies, waiting room items, as well as medical journals, pharmaceuticals, and publications.
