Description Summary

Stir up your direct marketing strategy and connect with cooking enthusiasts. These consumers are always looking for new recipes and supplies to make the most delicious meals possible. This responsive group of consumers makes purchases for all things related to cooking and eating. With this mailing list, you can get direct access to these cooks, and market your product or service to them through the mail, phone, or through email. Our data is updated monthly to ensure accuracy and an increase to your client base!

How Our Data Is Compiled

Our Cooking Enthusiasts Mailing List is derived from state-licensed information as well as a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

Consider The Facts

- Cooking at home is still the preferred way to prepare a meal for 98% of Americans
- 58% of full-time workers cook from 3 to 6 days a week

Recommended Usage

The consumers included in this mailing list would be great candidates for a variety of offers, including, but not limited to, cookware, appliances, recipe books and publications, cooking accessories, and much more.
