## Description Summary

Is your marketing strategy going dim? With the Electrical Contractors Mailing List, you can reach hard-working individuals who are in the electrical field. The Electrical Contractors database is compiled from government licenses, conference/trade show/seminar attendee registrations, membership rosters, credit information, mail telephone order purchase information, directories and telemarketing efforts. With the most accurate data available, you can reach electrical contractors through mailing, telemarketing, and email.

## How Our Data Is Compiled

Our Electrical Contractors Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.

## Consider The Facts

- In 2016, the median wage for electrical contractors was about \$52,700
- The employment of electricians is projected to grow 13.7% in the next 10 years

## Recommended Usage
