Description Summary

Home Health and Hospice Care Agencies provide health-related services to patients in their own houses. Working alongside physicians, a team of nurses and therapists offer services such as skilled nursing, physical and occupational therapy, speech pathology, nutrition guidance, etc. AmeriList provides accurate mailing, telemarketing, and email data to our clients. Our data is updated every month to guarantee accuracy and deliverability.

How Our Data Is Compiled

Our Home Health & Hospice Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, directories, and previous memberships/purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy.

Consider The Facts

- Most people receiving home care in the U.S. are over 65, with approximately 97% needing assistance with bathing and 91% requiring assistance transferring in and out of bed
- Almost all home health agencies are Medicare certified, while 78% are Medicaid certified

Recommended Usage

This mailing list is recommended for a variety of offers and promotions, including, but not limited to: businesses selling medical devices, medical technology, software and more.
