Base Rate: \$95.00/M

Description Summary

When we think of the most crucial setting for matters of life and death, we think of hospitals. These hospitals in the U.S. contain some of the most important employees that save lives every day. Reaching these medical facilities could be beneficial to your marketing campaign. AmeriList provides accurate mailing, telemarketing, and email data to our clients. Our data is updated every month to guarantee accuracy and deliverability.

How Our Data Is Compiled

Our Hospitals Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, directories, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy.

Consider The Facts

- There are 924,107 total staffed beds in U.S. hospitals
- In 2019, U.S. hospitals spent about \$1.06 trillion

Recommended Usage

This mailing list is recommended for a variety of offers and promotions, including, but not limited to: businesses selling pharmaceuticals, bedding and comfort supplies, medical devices, medical equipment and technology, food services, software, and much more.
