Description Summary

Have your previous marketing campaigns been painful? Say goodbye to ineffective mailing lists with our new Joint Pain Sufferers database. With our complete and accurate data, you can target exactly the prospects you are looking for. Our data can be segmented by various demographics, as well as specific self-reported ailments. People who experience joint pain are always looking for ways to feel better and take precautionary measures to avoid being in pain or increasing their symptoms. This database is updated monthly to ensure accuracy, and will help you complete your next direct mail, telemarketing, or email campaign.

How Our Data Is Compiled

Our Joint Pain Sufferers Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: lifestyle surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. This list is also CASS certified to ensure further accuracy.
