## Description Summary

These women are in need of supplements, and by contacting them directly, you won't waste valuable costs by marketing to women who are not interested. This list contains individuals who continuously purchase herbal supplements, making them a highly responsive group. This list is useful for supplement sales as well as new herbal products and remedies on the market. This list contains women who are currently buying or looking to buy all-natural herbal supplements because of their medical histories or current health issues. Our data can be segmented by household income, education, presence of children, or any other demographics that would help you find your best customer. We make it easy to reach women that have previous experience or have shown interest in buying all natural herbal supplements.

## How Our Data Is Compiled

Our Women Herbal Buyers Mailing List is derived from a multitude of public and proprietary feeds both online and offline including: surveys, self-reported individuals, and previous memberships/ purchase history. When you use our data, you are guaranteed accuracy and deliverability. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.
