Description Summary

Reach Republican Political Donors with the AmeriList Republican Donors file. These generous individuals have disposable income that they are willing to donate in order to preserve Social Security and Medicare programs. The individuals in this database are opposed to government schemes of cradle to grave socialized medicine. They are in favor of a balanced federal budget, limitations on government spending, border security, and preservation of the constitution and the American Dream. Every consumer in this database is a guaranteed donor that supports charitable organization committees and politicians that promote traditional family values.

How Our Data is Compiled

Our data is compiled using more sources than any other compiled consumer database in the industry, including: Phone Directories, Surveys, US Census Data, Voter Registration, Product & Warranty Information, Credit Card Transactions, Mail Order Purchases, Real Estate, Magazine Subscriptions, as well as Deed & Transaction Data. Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly. The list is also CASS certified to ensure further accuracy.
