Summary Description

Our Truck – Vehicle Fleet Owners & Operators mailing list is a complete source of businesses who either own or operate a fleet of vehicles as part of their daily operations. This mailing list features companies that have trucking or vehicle fleets, anywhere from one to thousands that are used for a commercial purposes.

Get in touch with these fleet operators who manage and maintain a fleet of vehicles with offers that ideal for them. These operators are looking to keep their fleets maintained and in top condition since their entire business operation is dependent on having their vehicles in top shape.

How our Data is Compiled

Our Truck Fleet Operators Database is derived using public and proprietary feeds both online and offline including state and federal government records such as department of transportation registrations, various licensing boards, trade publication subscriptions, membership rosters, trade show attendee & registers, various transportation website. The data is then crossed against our national business database that is compiled and maintained from DBAs, Incorporations, yellow page and white page telephone directories, annual reports, 10Ks and other SEC filings. Not only do we cross reference a multitude of sources to ensure the most accurate data, we also verify each business by phone on an annual basis to keep our records up-to-date.

Our compilation team processes the entire database against the National Change of Address (NCOA) file monthly.

Our Business more than 95% deliverable... guaranteed!

Consider the facts:

- Class 8 sales have gone up by 24.4% compared with 2014 sales
- There were about 2,800 new trucking jobs filled in July 2015

Recommended Usage

Our U.S. Business Database is the ideal solution for insurance agencies, uniform manufacturers, security professionals, accounting professionals, investment bankers, technical support personnel, trade magazines, trade show planners and many more!
